

INSTRUCTIONS: Review the objectives below and place an [X] in front of each objective that applies to you. List your top three objectives in the open fields at the bottom of the page.

I would like a corporate Mentor to help me:

- Improve my résumé and my interview skills
- Understand the language and culture of Corporate America
- Translate my military background to the corporate world
- Build a network of professionals
- Identify which career fields best suit my skills, interests and experience
- Refine my civilian career goals and professional ambitions
- Learn about career opportunities in one specific industry
- Search for job opportunities
- Search for internship opportunities
- Understand how to advance at my current job
- Enhance relationships with my managers, peers, direct reports and/or fellow students
- Determine how to navigate a performance review
- Cultivate my public speaking, communication and presentation skills
- Develop my leadership or management skills
- Discuss work/life balance
- Determine if I should go back to school or pursue higher education
- Learn about certifications that will increase my marketability
- Make sure I am on the right path toward my desired career after I obtain my degree
- Create a long-term career plan
- Learn how to start or expand my own business

What are your top three objectives from the list above?

- 1:
- 2:
- 3:

Use this completed questionnaire to develop an action plan with your Mentor. You can download our [Action Plan Template](#) on our [website](#) and explore the [Protégé Resources](#) page.
